IAHS Members may obtain a discount on books bought for their personal use. Members wanting a discount should ask for it when they place an order—we regret that discounts cannot be backdated. Please note that membership discount will not be given on official purchase orders unless there is an accompanying letter from a member which states that the book(s) ordered will be used by that member for his/her personal use.

I would like to order ..... copy(ies) of: Erosion Prediction in Ungauged Basins **Publ. 279** (price £46.50)
