This publication may be reproduced as hard copy, in whole or in part, for educational or nonprofit uses, without special permission from the copyright holder, provided acknowledgement of the source is made. As a courtesy the authors should be informed of any use made of their work. No use of this publication may be made for electronic publishing, resale or other commercial purposes without the prior written permission of IAHS Press.

The papers included in this volume have been peer reviewed and some were extensively revised before publication.

IAHS is indebted to the employers of the Editors for the invaluable support and services provided that enabled them to carry out their task effectively and efficiently.

The designations employed and the presentation of material throughout the publication do not imply the expression of any opinion whatsoever on the part of IAHS concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries.

The use of trade, firm, or corporate names in the publication is for the information and convenience of the reader. Such use does not constitute an official endorsement or approval by IAHS of any product or service to the exclusion of others that may be suitable.

The papers were checked, formatted and assembled by Penny Farnell and Cate Gardner at IAHS Press, Wallingford, UK.
